Item 7.01. Regulation FD Disclosure.

As previously disclosed, on December 12, 2018, Parker Drilling Company (“Parker”) and certain of its U.S. subsidiaries (together with Parker, the “Debtors”), commenced voluntary Chapter 11 proceedings and filed a prearranged plan of reorganization under Chapter 11 of the United States Bankruptcy Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the Southern District of Texas, Houston Division (the “Bankruptcy Court”). The Debtors’ Chapter 11 cases are jointly administered under the caption In re Parker Drilling Company, et al., Case No. 18-36958. During the pendency of the bankruptcy proceedings, the Debtors will continue to operate their businesses as “debtors-in-possession” under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Bankruptcy Court.

On February 20, 2019, the Debtors filed a monthly operating report for the period from December 12, 2018 to January 31, 2019 (the “Monthly Operating Report”) with the Bankruptcy Court. A copy of the Monthly Operating Report is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The information contained in this Item 7.01 shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and shall not be incorporated by reference into any filings made by Parker under the Securities Act of 1933, as amended (the “Securities Act”), or the Exchange Act, except as may be expressly set forth by specific reference in such filing.

Cautionary Note Regarding the Monthly Operating Report

Parker cautions investors and potential investors not to place undue reliance upon the information contained in the Monthly Operating Report, which was not prepared for the purpose of providing the basis for an investment decision relating to any securities of Parker or any of its subsidiaries. The Debtors prepared the Monthly Operating Report solely for purposes of complying with the monthly operating requirements applicable in the Debtors’ Chapter 11 cases. The information contained in the Monthly Operating Report is specific to the Debtors and does not reflect any information about non-Debtor Parker subsidiaries. The financial information contained in the Monthly Operating Report is unaudited, limited in scope, and as such, has not been subject to procedures that would typically be applied to financial statements in accordance with accounting principles generally accepted in the United States of America. The Monthly Operating Report should not be relied upon by any persons for information relating to current or future financial condition, events, or performance of Parker and any of its subsidiaries, as the results of operations contained in the Monthly Operating Report are not necessarily indicative of results which may be expected from any other period or for the full year, and may not necessarily reflect the combined results of operations, financial position, and schedule of receipts and disbursements in the future. There can be no assurance that such information is complete, and the Monthly Operating Report may be subject to revision. Subsequent information or discovery may result in material changes to the Monthly Operating Report and errors or omissions may exist. Notwithstanding any such discovery, new information, or errors or omissions, Parker does not undertake any obligation or commitment to update the Monthly Operating Report.

Cautionary Statement Regarding Forward Looking Statements

This Current Report on Form 8-K contains certain statements that may be deemed to be “forward-looking statements” within the meaning of the Securities Act and the Exchange Act. All statements in this Current Report on Form 8-K other than statements of historical facts addressing activities, events or developments Parker expects, projects, believes, or anticipates will or may occur in the future are forward-looking statements. These statements are based on certain assumptions made by Parker based on management’s experience and perception of historical trends, current conditions, anticipated future developments and other factors believed to be appropriate. Although Parker believes its expectations stated in this Current Report on Form 8-K are based on reasonable assumptions, such statements are subject to a number of assumptions, risks and uncertainties, many of which are beyond the control of Parker, that could cause actual results to differ materially from those implied or expressed by the forward-looking statements. These statements include, but are not limited to, statements about anticipated future financial or operational results, Parker’s financial position, and similar matters. These statements are based on certain assumptions made by Parker based on management’s experience and perception of historical trends, current conditions, anticipated future developments and other factors believed to be appropriate. These include risks relating to changes in worldwide economic and business conditions, fluctuations in oil and natural gas prices, compliance with existing laws and changes in laws or government regulations, the failure to realize the benefits of, and other risks relating to, acquisitions, the risk of cost overruns, our ability to refinance our debt and other important factors, many of which could adversely affect market conditions, demand for our services, and costs, and all or any one of which could cause actual results to differ materially from those projected. For more information, see “Risk Factors” in Parker’s Annual Report filed on Form 10-K with the Securities and Exchange Commission and other public filings and press releases. Each forward-looking statement speaks only as of the date of this Current Report on Form 8-K and Parker undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.

**IN THE UNITED STATES BANKRUPTCY COURT
FOR THE SOUTHERN DISTRICT OF TEXAS
HOUSTON DIVISION**

Case Name: Parker Drilling Company *et al.*
Case Number: 18-36958

Petition Date: December 12, 2018

**GLOBAL NOTES AND STATEMENTS OF LIMITATIONS AND
DISCLAIMERS REGARDING THE DEBTORS' MONTHLY OPERATING REPORT**

On December 12, 2018 (the "Petition Date"), Parker Drilling Company and certain of its affiliated debtors, as debtors and debtors in possession (collectively, the "Debtors"), each commenced with the United States Bankruptcy Court for the Southern District of Texas (the "Court") a voluntary case under Chapter 11 of Title 11 of the United States Code (the "Bankruptcy Code"). The Debtors are authorized to continue operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On December 13, 2018, the Bankruptcy Court entered an order authorizing the joint administration of these cases pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure.

1. **General Methodology:** The Debtors are filing this monthly operating report (the "MOR") solely for purposes of complying with the monthly operating requirements of the Debtors' chapter 11 cases. The financial information contained herein is unaudited, limited in scope, and as such, has not been subjected to procedures that would typically be applied to financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). The MOR should not be relied on by any persons for information relating to current or future financial condition, events, or performance of any of the Debtors or their affiliates, as the results of operations contained herein are not necessarily indicative of results that may be expected from any other period or for the full year, and may not necessarily reflect the combined results of operations, financial position, and schedule of receipts and disbursements in the future. There can be no assurance that such information is complete, and the MOR may be subject to revision. The following notes, statements, and limitations should be referred to, and referenced in connection with, any review of the MOR.
2. **Basis of Presentation:** For financial reporting purposes, the Debtors prepare consolidated financial statements, which include information for Parker Drilling Company, and its Debtor and non-debtor subsidiaries. This MOR only contains financial information of the Debtors. For the purposes of MOR reporting, the accompanying Balance Sheets and Statement of Income (Loss) of the Debtors have been prepared on a condensed combined basis. The Debtors are maintaining their books and records in accordance with U.S. GAAP and the information furnished in this MOR uses the Debtors' normal accrual method of accounting. In preparing the MOR, the Debtors relied on financial data derived from their books and records that was available at the time of preparation. Nevertheless, in preparing this MOR, the Debtors made reasonable efforts to supplement the information set forth in their books and records with additional information concerning transactions that may not have been identified therein. Subsequent information or discovery may result in material changes to the MOR and errors or omissions may exist. Notwithstanding any such discovery, new information, or errors or omissions, the Debtors do not undertake any obligation or commitment to update this MOR. The financial statements presented herein reflect the book values of the Debtor Entities of Parker Drilling Company, and, as a result, do not reflect the going concern valuation of the Debtors. For information regarding the going concern valuation of the Debtor, see Exhibit G to the "Disclosure Statement for the Joint Chapter 11 Plan of Reorganization of Parker Drilling Company and Its Debtor Affiliates" (Docket # 21). The Company is not liable for and undertakes no responsibility to indicate variations from securities laws or for any evaluations of the Company based on this financial information or any other information.
3. **Reporting Period:** Unless otherwise noted herein, the MOR generally reflects the Debtors' books and records and financial activity occurring during the applicable reporting period. Except as otherwise noted, no adjustments have been made for activity occurring after the close of the reporting period.

4. **Accuracy:** The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons and entities trading in or otherwise purchasing, selling, or transferring the claims against or equity interests in the Debtors should evaluate this financial information in light of the purposes for which it was prepared. The Debtors are not liable for and undertake no responsibility to indicate variations from securities laws or for any evaluations of the Debtors based on this financial information or any other information.
5. **Payment of Prepetition Claims Pursuant to First Day Orders:** On December 13, 2018 and January 3, 2019, the Bankruptcy Court entered orders (the “First Day Orders” and “Final First Day Orders”, respectively) authorizing, but not directing, the Debtors to, among other things, pay certain prepetition (a) liabilities related to use of the Debtors’ cash collateral, and continued use of their cash management system, (b) insurance obligations, (c) employee wages, salaries, and related items, (d) obligations relating to existing customer obligations, (e) taxes and assessments, and (f) trade claims. If any payments were made on account of such claims following the commencement of these chapter 11 cases pursuant to the authority granted to the Debtors by the Bankruptcy Court under the First Day Orders, such payments have been included in this MOR unless otherwise noted.
6. **Liabilities Subject to Compromise (“LSTC”):** LSTC represent the Debtors’ estimate of pre-petition claims to be resolved in connection with the chapter 11 cases. As a result of the chapter 11 filings, the payment of pre-petition liabilities are subject to compromise or other treatment under a plan of reorganization. The determination of how liabilities will ultimately be settled or treated cannot be made until the Bankruptcy Court approves a chapter 11 plan or reorganization. Accordingly, the ultimate amount of such liabilities is not determinable at this time. Pre-petition liabilities that are subject to compromise under ASC 852 are preliminary and may be subject to, among other things, future adjustments depending on Court actions, further developments with respect to disputed claims, determinations of the secured status of certain claims, the values of any collateral securing such claims, rejection of executory contracts, continued reconciliation or other events. On January 15, 2019, the Court entered an order setting February 15, 2019 as the deadline for the filing of proofs of claim against the Debtors for non-governmental entities.
7. **Reorganization Items:** ASC 852 requires expenses and income directly associated with the chapter 11 filings to be reported separately in the income statement as reorganization items. Reorganization items primarily include write-off of certain original issue discount and fees relating to debt obligations classified as LSTC, expenses related to legal advisory and representation services, other professional consulting and advisory services, and changes in liabilities subject to compromise recognized as there are changes in amounts expected to be allowed as claims. Nothing contained in this MOR shall constitute a waiver of any of the Debtors’ rights or an admission with respect to their chapter 11 proceedings, including, but not limited to, matters involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or re-characterization of contracts, assumption or rejection of contracts under the provisions of chapter 3 of Title 11 of the Bankruptcy Code and/or causes of action under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers.
8. **Intercompany Transactions and Balance:** Prior to the Petition Date (and subsequent to the Petition Date but only pursuant to Bankruptcy Court approval), the Debtors routinely engaged (and continue to engage) in intercompany transactions with both Debtor and non-debtor affiliates. Intercompany transactions among the Debtors have been eliminated in the statement of cash flows, and have not been eliminated in the balance sheet and income statement contained herein, as these eliminations are only performed in consolidation.
9. **Investments in Subsidiaries:** The book basis for investments in subsidiaries are not representative of the fair value or net assets of Debtor and non-debtor subsidiaries. As such, these balances are reflected in the Balance Sheets as a component of Equity.
10. **Insiders:** For purposes of this MOR, the Debtors defined “insiders” pursuant to section 101(31) of the Bankruptcy Code as: (a) directors; (b) officers; (c) persons in control of the Debtors; (d) relatives of the Debtors’ directors, officers, or persons in control of the Debtors; and (e) Debtor and non-Debtor affiliates of the foregoing. Moreover, the Debtors do not take a position with respect to: (a) any insider’s influence over the control of the Debtors; (b) the management responsibilities or functions of any such insider; (c) the decision making or corporate authority of any such insider; or (d) whether the Debtors or any such insider could successfully argue that he or she is not an “insider” under applicable law, with respect to any theories of liability, or for any other purpose.
11. **Reservation of Rights:** The Debtors reserve all rights to amend or supplement the MOR in all respects, as may be necessary or appropriate, but shall be under no obligation to do so. Nothing contained in this MOR shall constitute a waiver of any of the Debtors’ rights or an admission with respect to their chapter 11 cases.
